ORDER

The Siting Board, on its own motion, finds that the procedural schedule that was established on June 11, 2021, should be amended. The Siting Board notes that the site visit was rescheduled and additional time is needed for the consultant to prepare a site assessment report and for the utility to respond to the consultant's site assessment report. The Siting Board finds that an amended procedural schedule should be established to reschedule the date to file the consultant's site assessment report and to file the utility's response to the consultant's site assessment report.

IT IS THEREFORE ORDERED that:

1. The procedural schedule issued on June 11, 2021, is stricken and replaced with the procedural schedule attached as an Appendix to this Order.
2. All other provisions of the June 11, 2021 Order not in conflict with this Order shall remain in effect.

Generation and Transmission Siting
